#### **INDEPENDENT AUDITORS' REPORT**

## To the Shareholders of PIBC MANAGEMENT LIMITED dba PARADISE ISLAND BEACH CLUB

#### **Opinion**

We have audited the financial statements of PIBC Management Limited dba Paradise Island Beach Club ("the Club"), which comprise the statement of financial position as at December 31, 2020, and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Club as at December 31, 2020, and its financial performance and its cash flows for the period then ended in accordance with International Financial Reporting Standards.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

# To the Shareholders of PIBC MANAGEMENT LIMITED dba PARADISE ISLAND BEACH CLUB

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# To the Shareholders of PIBC MANAGEMENT LIMITED dba PARADISE ISLAND BEACH CLUB

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

December 31, 2020

# 1. GENERAL INFORMATION AND NATURE OF OPERATIONS

PIBC Management limited dba Paradise Island Beach Club ("the Club") is a forty-four unit timeshare resort located on Paradise Island, Bahamas which was developed in 1984 by Paradise Island Development Ltd., ("PIDL" and "Founder Member"). The Founder Member is a wholly owned subsidiary of Paradise Island Beach Club Limited ("PIBCL" or "Landlord") having its registered office at 1<sup>st</sup> Floor, Claughton House, Shirley and Charlotte Street, Nassau, The Bahamas.

The property on which the Club was developed was conveyed by PIDL to CIBC Trust Company Bahamas Ltd to be held in trust until December 31, 2028 as assurance for purchasers of timeshare units that the property could not be encumbered. The term of the trust was extended until December 31, 2032 to accommodate a longer than anticipated sell-out. The trust was transferred from CIBC Trust Company Bahamas Ltd to Butterfield Bank (Bahamas) Ltd (formally "Thorand Bank & Trust Ltd") on June 2, 2003. At the end of the trust period, the property will revert to the Landlord.

The Club is a non-profit making entity whose objective is to secure for the members' joint rights of use of the timeshare units.

PIDL sold vacation certificates for each of the forty-four units which gave the purchaser/member the right to occupy a unit for a week per year (out of possible fifty (50) weeks) for a total of 40 years. Each member is obligated to pay their annual members' fees prior to being allowed to make a reservation to occupy a unit.

Under the Constitution of the Club ("the Constitution"), the affairs of the Club shall be managed by a Management Committee of 5 individuals, 3 of whom are nominated by the Founder Member and 2 of whom shall be members of the Club. PIBC Management Limited incorporated on September 27, 2007, was formed to provide management services to the Club under an agreement dated November 14, 2007. The Club operates a mini-mart, restaurant and pool-bar, all of which are located on the premises of the Club. All relevant business and trade licenses are in the name of the Club.

## 2. STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS AND BASIS OF PREPARATION

The Club's audited financial statements are presented in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB) and are expressed in Bahamian Dollars ("\$"), the functional currency of the Club.

There are no standards and amendments to standards or interpretations that are effective for annual periods beginning on January 1, 2020 that have a material impact on the financial statements of the Club.

December 31, 2020

#### 3. NEW ACCOUNTING POLICIES

New standards and amendments that are effective for annual periods beginning on or after January 1, 2020

# Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Club

At the date of authorization of these financial statements, certain new standards, and amendments to existing standards have been published by the IASB that are not yet effective, and have not been adopted early by the Club.

Management anticipates that all relevant pronouncements will be adopted in the Club's accounting policies for the first period beginning after the effective date of the pronouncement. New standards, interpretations and amendments not either adopted or listed below are not expected to have a material impact on the Club's financial statements.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Presentation of financial statements**

The financial statements are presented in accordance with IAS 1, *Presentation of Financial Statements* (Revised 2007) and have been prepared on a historical cost basis. The Club has elected to present the statement of comprehensive operations in one statement.

## Management's use of judgments and estimates

The Club uses accounting estimates and assumptions in the preparation of these financial statements. Although these estimates are based on management's best knowledge of current events and transactions, actual results may ultimately differ from those estimates. The effect of any changes in estimates will be recorded in the Club's financial statements when determinable. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **Taxation**

Under the current system of taxation in The Bahamas, the Club is exempt from paying income taxes.

On January 1, 2015, The Value Added Tax (VAT) Bill and Regulations became effective in The Commonwealth of the Bahamas. The Club is registered under the provision of the Value Added Tax Act 2014 on December 15, 2014. The Club's Tax Identification Number (TIN) is 100481026.

December 31, 2020

### 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of comprehensive operations.

Non-monetary items are measured at historical cost and are translated using the exchange rates at the date of the transaction (not retranslated). Non-monetary items measured at fair value are translated using the exchange rates at the date when fair value was determined.

The Club does not isolate that portion of the results of operations resulting from changes in foreign exchange rates on financial assets at fair value through profit or loss from the fluctuations arising in the market prices of the instruments. Such fluctuations are included in net realized and unrealized gain or loss on financial asset at fair value through profit or loss.

#### Cash and cash equivalents

Cash and cash equivalents comprises of cash at banks and short term deposits with a bank and are subject to an insignificant risk of changes in value.

## Financial assets and financial liabilities at fair value through profit and loss (FVTPL)

#### Classification

#### Assets

The Club classifies its financial assets based on both the Club's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis.

### **Financial liabilities**

Financial liabilities are recognized when the Club becomes a party to the contractual agreements of the instrument. All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in the statement of comprehensive income.

The Club's financial liabilities include accounts payable and accrued expenses and amount due to a related party, which are measured at amortized cost using the effective interest method. Discounting, however, is omitted where the effect of discounting is immaterial.

December 31, 2020

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Recognition, derecognition and measurement**

Financial assets and financial liabilities at fair value through profit or loss are initially recognised at fair value. Transaction costs are expensed as incurred in the statement of comprehensive income.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or the Club has transferred substantially all risks and rewards of ownership.

Subsequent to initial recognition, all financial assets and financial liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the 'financial assets or financial liabilities at fair value through profit or loss' category are presented in the statement of comprehensive income within other net changes in fair value of financial assets and liabilities at fair value through profit or loss' category.

As of December 31, 2020, financial assets at FVTPL amounted to \$1,310,800 (2019: \$1,316,703).

## **Impairment of financial assets**

The Club assesses at each financial position date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred "loss event") and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

Evidence of impairment may include indications that the borrower or a group of borrowers is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganization and where observable data indicates that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

## Annual maintenance fee and maintenance fee in advance

The Management Committee determines annual maintenance fee for members to contribute in order to support operations of the Club. These dues are received in advance and are recorded as maintenance fee in advance. Maintenance fee in advance is recorded as revenue in the year it relates to.

December 31, 2020

## 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Property and equipment**

Items of property and equipment are carried at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset.

When parts of an item of property and equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment.

Assets are capitalized during the year as determined by the Management Committee. The costs of the day-to-day servicing of property and equipment are recognized in the statement of comprehensive income as incurred.

Gains and losses on disposal of an item of property and equipment are determined by comparing the proceeds from the disposal with the carrying amount of property and equipment, and are recognized in the statement of comprehensive income.

Depreciation is calculated on the depreciable amount, which is the cost of an asset, or other amounts substituted for cost, less its residual value.

Depreciation is recognized in the statement of comprehensive income on a straight-line basis over the estimated useful lives of the items of property and equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated depreciation rate of property and equipment are as follows:

	Life	<b>Residual values</b>
Leasehold Improvements:		
Exterior	5	\$0
Interior	3	\$30,000
Amenities	2	\$10,000
Computer Hardware & Software	3	\$10,000
Vehicles	3	\$0
Office Equipment	3	\$0

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted, if appropriate.

#### **Related party transactions**

Transactions between related parties are based on terms similar to those offered to non-related parties. Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions and the parties are subject to common control or common significant influence.

Related parties include the shareholders, top management, and a related company (Parent, subsidiary or an Associate) as they have the ability to affect the financial or operating policies of the Club through the presence of control or significant influence.

December 31, 2020

## 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Revenue recognition**

Revenue is comprised primarily of members' annual maintenance, maid service revenue, electricity surcharge, telephone, credit card and internet revenue. Revenue is recognized when the services are provided and the goods are delivered to guests.

Annual maintenance fees are billed in advance for the year in which they are due. Maintenance fees collected in advance are shown as maintenance fees paid in advance at the reporting date and recognized as revenue in the following year.

#### Interest income

Interest income is accrued on a daily basis using the effective interest rate method.

#### Sale of re-possessed units

Under rule 8A of the Constitution, any and every vacation certificate forfeited to the Club for nonpayment of dues shall be held by the Founder Member on behalf of the Club upon trust to subsequently sell the same. The Club will be the beneficiary of the net proceeds of sale of every such vacation certificate and the Founder Member shall be entitled to pay the usual commission to any person affecting such sale. The Founder Member will be entitled to let the premises to which such vacation certificate relates and the Club will be the beneficiary of the net proceeds of such lettings. The Club will be responsible for the annual dues in respect to all such vacation certificates.

The Club in accordance to the 1995 Amended Constitution is responsible for the payment of maintenance fees on all Defaulted Weeks.

## Expenses

All expenses are recognized in the statement of comprehensive income on an accrual basis

		301,876	419,174

#### 13 Amount due to a related party

In December 2016, a shareholder of the Club granted a loan in the amount of \$396,000 for a period of five years at 5% interest, with monthly payments in the amount of \$7,500. The purpose of the loan was to take advantage of the remaining available balance on the duty free concession which expired on November 19, 2017. This concession was is in lieu of a special assessment. The Duty Free Concession was first extended to November 1, 2019 and by a letter dated March 2, 2021, the Bahamas Investment Authority granted a further exetension until December 31, 2022.

Due to a related party as at December 31, 2020 amounted to \$99,782 (2019: \$182,587) of which the amount payable within a year and the amount payable after a year amounted to \$82,555 and \$17,227, respectively (2019: \$82,939 and \$99,648, respectively).

Loan interest paid during the year amounted to \$7,195 (2019: \$10,679).

#### 14 Maintenance fees

Income from maintenance fees for the year amounted to \$2,536,019 (2019: \$2,679,172).

The Management Committee determines annual maintenance fee for members to contribute in order to support operations of the Club.

#### 15 Energy surcharge and credit card fee revenues

The Club charges its members an energy charge of \$125 (2019: \$125) per week when members stay at the Club. The Club also charges a credit card fee of 2.75% (2019: 2.75%) for each credit card payment.

Energy surcharge and credit card fee revenues for the year amounted to \$64,066 and \$5,195, respectively (2019: \$204,956 and \$21,756, respectively).

## 23 Lease commitments

On April 17, 2003, PIDL entered into a lease agreement with Marriot Ownership Resorts (Bahamas) Ltd., in its capacity as the Founder Member of the Club for and on behalf of the Club and its members effective January 1, 2003 for a period of 23 years. The leased property is to be used for the benefit of the members of the Club which now serves as the Welcome Centre. The Club's commitments on this operating lease are as follows:

	<u>2020</u>	<u>2019</u>
	<u>\$</u>	<u>\$</u>
Less than one year	39,130	39,130
2 - 5 years	117,440	156,570
Over 5 years	-	-
	156,570	195,700

A portion of the above property has been sub-leased to other tenants on month-to-month lease basis on October 1, 2019 at a monthly rental of \$3,000. The Club earned rental income of \$36,000 during the year (2019: \$33,000) which was shown as Minimart Income in the statement of comprehensive income.

#### 24 Financial Risk Management

#### Overview

The Club has exposure to the following risks from its use of financial instruments:

- 1. Credit risk
- 2. Liquidity risk
- 3. Market risk

The Club's financial risk management policies are established and reviewed regularly to identify and analyze the risks faced by the Club, to set appropriate risk limits and controls, and monitor risks and adherence to limits. The Club presents qualitative information about its exposure to risk and the objectives, policies and processes for measuring and managing these risks. Further, quantitative disclosures are

#### Credit risk

Credit risk is the risk of financial loss to the Club if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Club's cash held with banks and receivables from customers.

#### Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was;

As at December 31	2020	2019
	<u>\$</u>	<u>\$</u>
Cash at banks - current accounts	271,220	637,273
Short term deposits - Certificate of deposits	1,039,580	679,430
Accounts receivables, net	70,222	59,547
	1,381,022	1,376,250

Cash at banks was deposited with regulated financial institutions. Accordingly, management considers this to bear minimal credit risk.

Management actively monitors the aging of receivables and establishes a provision as circumstances warrant. The Club does not anticipate any losses in excess of the provision for doubtful accounts as a result of this exposure.

#### Liquidity risk

Liquidity risk' is the risk that the Club will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Club's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meets its liabilities and other commitments when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Club's operations.

# PIBC MANAGEMENT LIMITED dba PARADISE ISLAND BEACH CLUB NOTES TO FINANCIAL STATEMENTS December 31, 2020

#### 24 Financial risk management (continued)

#### Liquidity risk (continued)

A maturity analysis of the financial liabilities is as follows

	Contractual cash flows			
	Carrying amount	1-12 months	1-5 years	More than 5 years
<u>At December 31, 2020</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>
Financial liabilities

Accrued expenses	60,459	60,459	-	-
Interest bearing borrowing	99,782	82,555	17,227	-
	401,658	384,431	17,227	-

	Contractual cash flows			
	Carrying amount	1-12 months	1-5 years	More than 5 years
<u>At December 31, 2019</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>	<u>\$</u>
Financial liabilities				
Accounts payables	209,770	209,770	-	-
Accrued expenses	209,404	209,404	-	-
Interest bearing borrowing	182,587	82,939	99,648	-
	601,761	502,113	99,648	-

#### Market risk

Market risk is the risk that future changes in market conditions such as foreign exchange rates and interest rates will impact the Club's income or the value of holding it financial instruments. The objective of market risk management is to manage and control its market risk within acceptable parameters whilst optimizing the return on risk.

The Club is not exposed to significant price risk as it does not invest in any equities and has minimum exposure to currency and interest rate risks.

#### **Currency risk**

All of the Club's financial assets and liabilities are denominated in Bahamian dollars or in US dollars, and therefore, the Club is not exposed to any significant currency risk.

#### 24 Financial risk management (continued)

#### Interest rate risk

Interest rate risk refers to the risk of loss due to adverse movement in interest rates. The Club's interest rate risk arises from its cash held with banks including term deposits. The interest rate exposure at the reporting date is \$1,039,580 (2019: \$679,430). As at December 31, 2020, interest rates on the cash held with banks are 0% - 1.25% (2019: 0% - 1.25%).

The Club believes that interest rate risk is minimal and a hypothetical 1% increase/decrease in the interest rate would have an impact of \$10,395 (2019: \$6,780) on the financial position and results of operations.

#### 25 Capital management policy

The Club's main objectives when managing its capital are to safeguard its ability to continue as a going concern, to maintain adequate liquidity to meet obligations and to keep the property in an acceptable state of repair.

#### 26 Litigations and claims

There were no litigations and claims against the Club as at the reporting date.

#### 27 Post-reporting date events

The Club evaluated the impact of all subsequent events through May 31, 2021, which is the date the financial statements are available to be issued.

In March 2020, the World Health Organization declared a pandemic with regards to the global outbreak of the Novel Coronavirus 2020 (COVID-19), which resulted in Governments around the world issuing directives, and establishing quarantine measures in their respective jurisdictions, to help manage and control the spread of the virus. Subsequent to year-end, global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Club is closely monitoring its operation, investments and its liquidity and is actively working to minimize the impact of these declines. The Club's financial statements do not include adjustments to fair values that have resulted from these declines. In this regard, the Club does not anticipate that this pandemic will have a significant impact or lasting effect on the business, or have a material impact on its financial statements, in the foreseeable future.
